Pre-Tech Notes for Teams:

- Each car must arrive to tech with the exterior bodywork in place so that decals may be inspected. The seat components can be removed while the decals are being inspected.
- Once decals are inspected, the team will remove the shock cover, engine cover, and the fire bottle access panel. Then that car may proceed to the mechanical inspection station.
- If a team is unable to make their pre-tech appointment, they must notify the Technical Officials before their appointment time. Failure to do so may result in penalties.
