

Ligier JS F4 Technical Regulation Bulletin

No: JSF4 TRB-2024-02

Date: July 23, 2024

Subject: Change to Permitted Oil Filters

Article 28.2 Engine Modifications – Change section b) to read as follows.

b) The only engine oil filters permitted are the **NAPA Platinum (P/N: 41085)**, NAPA Gold (P/N: 1085) and the Wix (P/N: 51085). **Note, the supplier to NAPA of the Gold filter has changed and the quality has deteriorated, making the filter prone to distortion and leaking. It is recommended that the Gold filter no longer be used once a team's current supply is used up.** No exterior coverings are permitted on the filter.
